Washington Cruisers Club Annual Members Meeting 2021

Because of the continuing escalation of COVID–19 cases and the uncertainty of the restrictions as to social gatherings, the Board, at its December meeting voted unanimously to invoke the extraordinary circumstances Rules Suspension clause of *Robert's Rules of Order* and also voted to postpone the January annual members meeting until March. The March meeting will be both the members annual meeting, followed by the regular Board meeting, when the election of officers will be held. We are not sure about in what form the meetings will be at this time – the possibilities are that they could be a Zoom, Skype, phone bridgeline, or maybe in person. This meeting is also to elect Board members to the Board – there are Board members up for reelection, and of course, any member of the club, in good standing, may choose to run. There will be an update once the details are finalized. The situation is very fluid, so we can't be more specific at this time.

Board Members Needed

Once again, the Board is soliciting our membership to find new Board members to help run the club. Duties consist of a monthly meeting to discuss the club's activities, voting on new members, and working on the club's events. If this sounds like something that interests you, contact any Board member for more details. We currently have 9 Board members. This makes it tough on the Board to handle all the events the club has each the year. The club's full Board is 12 members, including the officers. To make all the events the club has go smoothly takes manpower to ensure we raise money for Ronald McDonald House and RMHC and that our attendees feel welcome and have a good time. Please consider taking the time to inquire about being a Board member today.

Ronald McDonald House Donation

Despite not being able to have any events during the 2020 cruise season, the Board was able to come up with some money to donate to Ronald McDonald House. The Washington Cruisers Car Club will be donating \$325.00 this year, keeping our 28 years of donating intact. 2021 will see a marked improvement in our donation when cruises start again.

With Sympathy

We lost a member of our cruising family. Jim Nichol recently passed away. Our thoughts and prayers go out to James & Alice Nichol and their family.

Thank You

As most of you know, Johnny Anderson was in a serious car accident a few months ago. He is currently at home and has a long recovery ahead of him. He would like to thank all of the members who called and sent him get well wishes. They have really helped him, Sherry and their daughter Lisa through this difficult time. Here is his address, we are sure he would love to hear from his cruising family.
